1. Read Acts 1:12-26

2. Before Jesus ascended to heaven He gave the disciples some important instructions. One of the things He asked them to do was to go back to Jerusalem and wait.

They were to wait for the coming of the \_\_\_\_\_.

Read John 16:7

3. Our life could have so much more power, more courage and more peace if we could only learn to wait on God. \_\_\_\_\_ is the fruit of the Holy Spirit.

4. Read Psalm 46:10.

To be still means to \_\_\_\_\_.

Stop searching for contentment and give up trying to be in control.

Realize that worry only makes us sick.

5. It is true that Jesus commanded us to “go”.

But before we go, we must learn to wait.

6. Read Acts 1:14

Another translation says it this way.

Acts 1:14 (NKJV)

14 “These all continued with one accord”

I bet you didn’t know the apostles drove a Honda.

To be in one accord

means that we have one mind, one purpose, one mission.

7. Great things happen when God’s people pray.

Prayer brings unity.

8. They were a diverse group but they shared one thing in common: a relationship with Jesus.

It was that relationship that united them as one. All of them were in unity.

Like the early church, may we learn today, to put aside our differences, and become one in Jesus.

9. Believers are to have a spirit of unity, Read John 17:11

10. Believers should be still and seek God’s will.
