How many times do we ask God for the wrong things?
And if not the wrong things, many times we ask for things that are not the best.
Read James 4:3

7. When we pray to be healed, we need to remember that God hears our prayers and that God answers our prayers.
We will be healed, either now, or in the resurrection.
God will ultimately heal those who put their trust in Him.

8. God had a plan for all of eternity, even before the creation of the world.
A plan so full of grace, mercy and love,
that God will never force us to do things against our own will.
His love is so great, that He will even allow you to choose against God.
Just know, that the mysteries of God are so far beyond our understanding.
The best thing we can ever do is to trust Him.
