

Argyle LifeGroup Study Guide, Luke, part 52, May 10, 2020

1. Read Luke 1:46-48 (CSB)

2. What an honor it is to be remembered as a good mother. Mary was not deity. She was not the mother of God. Read John 1:2.

Mary was an example of a good mother. A good mother is important to a healthy home.

3. Godly wisdom can help us have a healthy home.

Read Proverbs 10:1, 17:21, 23:15-16, 29:3.

4. This is our theme scripture. Read Proverbs 24:3-4

We see three things:

1. A healthy home is built by wisdom.
2. A healthy home is established by understanding.
3. A healthy home is filled by knowledge.

5. Wisdom is when we choose to _____ the same way that God sees them.

Wisdom makes decisions that agree with what God wants for my life.

6. Understanding takes the wisdom of God and puts it in _____ of our decision making.

7. Understanding is the eyes of wisdom that we see life through. The right choices and the right decisions come into _____ when we see them through understanding.

So Understanding focuses all of our decisions toward God.

8. Understanding helps us make decisions in our home that will please and honor God

Instead of making decisions in our home that will please and honor our self.

9. Church people love to fill their head with the knowledge of religious facts, but it's a completely different thing to use the truth of scripture and apply it in our life.

10. Jesus told a parable in Luke 6 about two houses with two different foundations.

Read Luke 6:46-49. That home was not healthy because it was not built on a solid foundation.

That home will not be able to stand against the storms of life. It's when we hear what God says to do and then we do it, that is what makes us strong and healthy.

11. Read Proverbs 24:4. An important part of building a healthy home includes the interior design.

Knowledge helps us fill the rooms of our healthy home with valuable things. Knowledge is closely tied to wisdom and that means more than just knowing information. It means to have a specific ability to accomplish good things. In this context, knowledge means to take the scripture and use it to direct your life.

12. Knowledge also helps us know what to say in different situations. It gives us the right words.

Wisdom knows how to speak the truth in a way that is beautiful to those who hear it.
