1. Read Luke 21:34-36

2. Our culture is willing to spend several months preparing for the celebration of the first coming of Jesus, there will be little preparation and no celebration for the second coming of Jesus.

Could it be, that our culture isn't _____ by a little baby born in a manger?

3. The most detailed information about the second coming was given to the disciples by Jesus Himself, two days before He was crucified. This teaching is known as the _____, because it was taught from the Mount of Olives.

4. Jesus tells us the signs that will happen before His return to earth.
But He does not tell us _____ He will return.

5. The next major future event that will happen is the rapture.
Jesus will not return to earth at the rapture but all believers will be instantly taken to meet Jesus in the air. I believe the rapture of the believers will happen before the 7-year tribulation.

6. There are not any signs given before the rapture takes place. That's why it is so important that everyone should be prepared today. The rapture of the believers could happen at any time.

7. The second coming of Jesus is a source of comfort for all believers who are ready to meet Him.
Titus tells us "It is our blessed hope".
Corinthians tells us "we should wait eagerly".
Thessalonians tells us "to comfort one another with these words".
James tells us "strengthen your hearts, His coming is near".
Revelation tells us "Amen. Come, Lord Jesus".

8. Four things Jesus want us to do.

1. Keep looking

2. Live holy

3. Tell others

4. Serve together
